

Marina Change Complete

2012-02-07 16:38:19 by angusever

Great News! Grassroots Sailing has now moved U4RIC from CBM to Kon Tiki marina. We are very excited about this move as we are back in a Sailboat marina and our long time association with Cook's Bay Yacht Club will be allowed to flourish. We hope to get more actively involved with the racing program and perhaps eventually participate in the LSIS racing circuit around the various clubs of Lake Simcoe.

Kon Tiki is just one road north of our old location and is readily accessible from Hwy 11 and Hwy 400. Hwy 89 (Shore Acres Rd) takes you right to the front gate of the marina.

Our new slip is on the lake side of B dock. B18 which is a port side tie up when bow in.

Kon Tiki has many functions that we can attend and we can also enjoy the restaurant and bar at the sister marina Lefroy Harbour Resorts.
